**Experience The Magic Of Hosting**

In July our exchange student, Toon, joined our family. And when I say joined he literally did that. He has become my teenage son. Our experience as a family has been amazing and unforgettable.

Toon is leaving this week and I feel like my son is grown up and leaving home. There is nothing negative that I can say about our time with Toon. Toon has been through all sorts of things with our family. Through good times, like the birth of our new daughter, and not so good times (but nothing bad).

I would like to say my respects to Toon’s parents. They have done a wonderful job raising such a courteous, well mannered, well balanced son. We have so many fantastic stories from this exchange experience. We have enjoyed it so much that we are hosting again next July. We will have a friend for life and will never forget Toon.

Thank you WEP for the chance to meet Toon. It wouldn’t have been possible without the WEP team. Only a quick few words to show my appreciation in meeting Toon and to WEP.

Enrich your home with a curious exchange student in January 2015
