but after, Joanne, Skye, Christalin and Brooke went to a debating workshop for the regional debating tryouts. Unfortunately no one from Manildra Public made it into the team. But everyone tried their best.

Annnnnnd today is our last day for school. We hope everyone has an amazing two weeks in the holidays.

From Skye, Jo and William
A bus load of people got up very early last Saturday morning to travel to Canberra to visit the famous Floriade and for a little shopping at DFO. I would like to thank Joanne Thompson for organising the trip.

I know I had a great time as I’m sure everyone else did also.

Class News

Senior Class
The class have been very busy with their writing. The debating teams have been preparing their debate while the other half of the class have been writing an interesting narrative, with no boring bits.

With Mrs Starr, the students have been working on and presenting their Personal Interest Projects. Mrs Starr tells me that they have been amazing and very varied in topics.

We have also begun to explore a new website for learning about literacy and numeracy called Skoolbo.

Junior Class

These past two weeks, K/1/2 have been one very busy class. We are coming to the end of our French culture study, where the children learned about the French language, food and culture. The children looked great in their French clothes and French flag colours today for our ‘French Friday’ party.

Also our healthy lifestyle work is rounding up. The children looked at food that is good and bad for your body - such as all the vegetables, greens and tomatoes we are growing in our school garden. Exercise and keeping active - running, walking, playing sport or skiing. Also hygiene - brushing your teeth, having a bath, brushing your hair and getting plenty of sleep every night. Hopefully they’ve listened.

I would just like to say a big thanks to everyone for a great term out here at Manildra. Everyone has been very welcoming and you have made me feel apart of the community. I have truly enjoyed my time and I’m looking forward to term 4 with this great bunch of kids. Cheers, Mr Freeman.

P&C Fete—Saturday 8th November - 10am to 4pm.
Next Fete meeting will be 8th October at 7pm. All welcome.

Holidays

I hope you all have a nice break from the routine of school over the next two weeks. It looks like the weather is going to be perfect for all those fun, outside activities.

Have a very happy and safe break.

Personal Interest Project

This week the primary class presented a Personal Interest Project or P.I.P. This involves choosing a topic or issue that interests them, and that they would like to learn more about. They needed to research their topic, and present what they had learnt to the class, in an interesting way.

On Tuesday, Brooke taught us all about DNA, and involved us in a DNA memory game.
Will came dressed as Banjo Patterson, and told us about his life and recited some poetry.

Jordyn taught us about rabbits and their effect on the Australian environment.

Isabell had researched some rainforest animals and shared with us her poster of information. Lily talked about the history of Tae Kwon Doe, showed us some video of her in action, then took us all outside to have a tae kwon doe lesson, teaching us the 4 main kicks.

Sarah used books and questioned her Pop to learn more about Poland, which is a country from her family heritage and certainly sounds like it has yummy food!

Jo-Anne interviewed her grandmother, great aunts and great uncles to learn more about their life in Manildra before television and computers!

Chloe gave us a very comprehensive lesson on the life cycle of butterflies, and showed us her beautiful artwork.

Haylee did a big poster on horses, and told us how to look after them.

Bailee showed us his family tree with photos of some of his relatives.
