-Manildra Community News & Information . . . .
This week all students have been participating in swimming lessons and are certainly improving! The newest swimmers are coming along in leaps and bounds, and displaying great improvement with their new found confidence - from blowing bubbles with their face in the water, to swimming beautifully across the pool. The older swimmers are learning stroke correction especially the intricacies of butterfly and concentrating on water survival skills. They are all coming back to school tired but happy.

The children are all madly practicing instruments and a variety of acts – magic tricks, singing, joke telling…..for ‘Manildra PS Has Talent’ which Adam and I are looking forward to watching next week!

Next Wednesday is our last day of school. We will be very sad to see the wonderful 2014 Year 6 students walk out the gate for the last time, but know they are ready to go on to new and exciting experiences.

Thank you all for your support in 2014.

We wish you all a very Merry Christmas, and a happy, healthy and safe holiday.

Sue Starr, Adam Freeman, Kathy & Di
