Welcome

We would like to welcome Katie Crowther to our school this term. Katie is working at our school 25 hours a week as a volunteer. Katie is enjoying working with the staff and our wonderful Manildra students.

We would also like to welcome Helen Moore who is at our school each week to set up our

Nelson Reading Scheme for 2016. On Wednesday she completed the BURT WORD READING test to begin levelling our students for 2016.

Chaplaincy

Last week I put in an application for our school to be a part of the state Chaplaincy Program. This funding, if granted would give us approximately $20,000 a year, for 3 years to employ a mentor/role model to work at our school. Notification of success will be forwarded next year.

Robyn Smith OH&S consultant will be at Manildra P.S. on the 12th of November to update our 2016 Emergency Management Plan.

What’s Happening

- 6 Nov - Kinder orientation. 11.30am - 1.30pm
- 10 & 11 Nov - OSSA Spec at Orange Civic Theatre

- 3 Dec - Presentation Night at 7pm

Please send all community notices to Manildra Public School by 10am Thursdays. Email to: t.press2@bth.catholic.edu.au

Hello everyone,

We have been soooo busy with rehearsals for OSSA Spec & learning songs for our Presentation night. We are also working on short films about local people or places. Yesterday we had Ms Riles here to help us with singing. Mrs Scott has been helping us also.

Today was great with our cupcake day. We had lots of cakes and lots of orders. Thankyou to everyone who cooked or bought the cakes. This money is to help with costs for the bus to Orange for the OSSA Spec rehearsals. We made over $400 which is great.

Thanks again for your support.

From the Senior class
On Tuesday the students travelled to Orange Function Centre by bus for a full dress rehearsal. The students did a fantastic rehearsal and Manildra P.S. got many beautiful compliments about their dancing. Good work everyone!
The next rehearsal will be Tuesday 10th November at the Civic Theatre. Students will again travel by bus. Students will then return to the Civic Theatre at 5pm for the first evening performance at 6pm. Parents are asked to arrange transport for the evening performances on Tuesday & Wednesday.

Brian Thompson visited our school this week to talk with students and presented a photo of his great grandfather, William Edward Stanford, who was a teacher at this school from 1890-1899. He also presented the school with a trophy in his memory.

We are expecting a visit from Richard Conolly - Assets Manager for the Department of Education to give us some sound advice on completing an application to keep the school house and on enclosing 2 bays of the large COLA for a Manildra school hall.
We are in the process of getting quotes also.

Students are required to bring a note in to explain any absences whether it be for a whole day or only part of the day. Please send in notes promptly for any student absences as we are audited on a yearly basis.

The year 3-6 students are busily planning our presentation evening. Donna Riles from the Conservatorium of Music, Orange was here on Thursday afternoon to sing with K-6 students to give our students assistance and advice on their chosen songs. Mrs Scott is also working on our presentation items.

I/We would like/not like Manildra P.S. to design a Facebook page. Comments appreciated.
To Jordyn
For Outstanding effort in all areas!

To Timorthi
For Great effort in writing.

To Lily
For Calm, caring organised approach to all things in her school life

To Zoe
For Great achievement in spelling all year.

Principal’s Award

To Roger
For Outstanding effort in all school activities.

To Lily
For Always for making everyone feel that they ‘BELONG’

Class News

Senior

The students have all picked a topic to research and are working very hard to complete this. Some chose Antarctic, England, Luxury cars etc. Most students are working on making a movie about someone or business in the community. The class has also been busy practising their dance for OSSA Spec & singing for Presentation evening plus discussing end of year activities for the year 6 students.

Infants Class

K_2 have been busy learning their left from their right this week as part of our unit on Position in Maths. We have eight pre schoolers who are participating in Kindergarten Orientation each week. They have been learning the routines and expectations of big school and having lots of fun getting to know the other students and teachers. The infants children have been very busy practising reciting a poem to present to the school at assemblies during the coming weeks. They are learning to speak loudly, with expression and try to add some actions. They are doing very well with many of them ready to present.
Our school leaders and I have spent some time this week meeting different business and community people to explain our “CUPCAKE” fundraiser. We have visited lots of local businesses so we would like to thank the Manildra Community for all the support they give to our school.

The day was a great success with over $400 made to assist with the bus to Orange for the OSSA Spectacular rehearsals. We hope every one enjoyed their morning tea today & thank you all very much for your support.

Cup Cakes

Congratulations to these Deb Ball Raffle winners: 1st Prize to Rennette Warner 2nd prize to Peter Wright 3rd prize went to Annette Amberge.
