Presentation Night is fast approaching with so much to do. These past few weeks have been an extremely busy time.

We have started walking to the hall on most days to complete our Presentation Evening practice. The students have worked extremely hard to make the concert their own.

Mrs Scott and Donna Riles have been at our school assisting the students with singing and music for their items.

Hello everyone,

The OSSA Spectacular last week was great. It was a lot of hard work but all worth it in the end. Now we start practising for our Presentation night concert, but first we have our excursion to the Blue Mountains and overnight stay at Bathurst Goldfields. We are all so excited as it will be a lot of fun. We hope the infants class enjoy their two days at school.

From the Senior class
Super Summer Sandwiches

Sandwiches are a staple in an Australian lunchbox & an easy option for most parents. Below are some more top tips to make super summer sandwiches your child will love:

- **explore different breads & alternatives:** most fillings can be used on sandwiches, rolls, wraps, in pita pockets or on rice cakes.
- **add colour:** make a rainbow wrap, or simply add some grated carrot or cheese to a sandwich. Zebra sandwiches with a light & dark coloured bread can be fun!
- **toast it:** some kids love toasted sandwiches & they work well in lunchboxes.
- **cookie cutters** are an easy way to make your sandwiches special - who wouldn’t like a dinosaur sandwich? Or put the contents on a wooden stick & make a kebab sandwich.
- **on hot days** making a sandwich on frozen bread is a great way to keep the lunchbox & fillings cool. It will defrost by lunchtime!
- **small serves:** a half sandwich can be better for small appetites or make for a perfect snack.

Y7 Orientation Day

Some of our Y6 students travelled to Molong Central School on Wednesday for a chance to get acquainted with the other students and the school.
Lily, Christalin and Bailee thoroughly enjoyed their Orientation Day at Molong Central School.

They will be involved in two Transition afternoons on Wednesday, 25th November and Wednesday, 2nd December from 1.30pm-2.30pm. They will participate in learning experiences in Food Technology, Science and Maths. Our students are asked to wear their sports uniform and bring/wear enclosed leather shoes and apron for safety reasons.

**Monday 14th December**
Lora Cook

Last week the students participated in the OSSA Spectacular along with other small schools in the Orange district. This was a massive production and we are glad we had the opportunity to be a part of such a show. The performance was very good and our students performed magnificently and a real credit to our school. Well done everyone.
We are extremely grateful to the parents for transporting their children to the Civic Theatre each night and supporting them.

Senior
Our 3-6 students continue to work on their individual projects for Term 4. They are certainly researching a wide range of subjects. Congratulations on a terrific performance at the OSSA Spectacular. A great effort by everyone. Now we have our class excursion with all having a great time. We will be busy over the coming weeks organising our Presentation night and then having swimming lessons.

Infants Class
K-2 had been very busy with the OSSA School Spectacular last week. I would like to congratulate the class on a fabulous effort during the performances last week. I am very proud of each and every student and behaviour has been exceptional considering the late nights and tiring days. For Maths, we have begun a unit of work on 3D shapes. The students have been asked to bring in two items from home that are different 3D shapes.
The students have been SO EXCITED about our overnight excursion. We are having an AMAZING experience and the students are following their Behaviour Contract very closely.

Tennis

Tennis lessons continue to be very popular with our students whose skills are showing pleas-

Happy birthday Pippa
Dr. Vikki Wymer
consists every Tuesday & Friday
between 9.00am & 1.00pm.

**FoodCare**  *the smart way to shop when life is tough.*

**What is FoodCare?**  
FoodCare Orange is a community service run by volunteers that helps individuals and families access good quality food and household items in an affordable manner by providing a self serve shop with a variety of grocery and personal items.

**When is FoodCare open?**  
FoodCare is open every **Tuesday and Thursday mornings from 9.30 to 12.30**.

**Where do I find FoodCare?**  
FoodCare operates at the Glenroi Community Centre, Garema Road, Glenroi.

**How does FoodCare work?**  
Customers present their membership card and pay a small service fee for their selection—from pantry, personal, and fresh items on offer.

**Who is eligible?**  
Any individual or family with a Centrelink Pension Card or Health Care Card, or in genuine need due to unforeseen circumstances is eligible to use FoodCare.

**How do I join?**  
To join, simply drop into the Glenroi Community Centre during opening hours with your Centrelink or Health Care card and proof of address, such as drivers licence or a bill.

**Free transport**  
If you need transport to access FoodCare, call Community Transport on 02 6362 6554.

**For more information:**  
Phone 0467 229 673

**Indian Mandala**

The word Mandala means circle. Mandalas are circular designs symbolising the notion that life is never ending. All aspects of life, the seasons, the planets, the day, nature, friends, family and communities can be represented in the circle of life.

We cut our mandalas in quarters to create this artwork.
