Report Locust Activity
Locust are becoming a big problem across the central west. To limit their spread Local Land Services is asking farming families to report any locust activity (hatching, swarming etc) they have seen.
You can do this by:
• Contacting your local LLS office
• Calling 1300 795 299
• Visiting www.lls.nsw.gov.au/central west
Your information is vital to controlling locust in our region.
