Influenza Vaccinations
The National Seasonal Influenza Program for 2015 will begin on 20th April.
This is later than most years as there have been two strain changes from 2014 causing manufacturing delays.
This has resulted in the decision to delay the program until sufficient supplies are available.

Annual influenza vaccination is provided FREE for the following groups:

* People aged 65 years and older
* Pregnant women
* Aboriginal and Torres Strait Islanders aged 15 years and older
* Anyone aged 6 months and older who has a chronic condition placing them at risk of complications from influenza.

Vaccinations will be held at Manildra Community Health Centre commencing Monday 20th April between 9am – 10am and 2pm and 3.30pm and then Mondays and Wednesdays for the following month.

Please phone Kate on 63 645 345 for an appointment if you are unable to make these times.

OTHER NOTES . . .
POSITIVE PARENTING SEMINAR
DATE & TIME CONFIRMED
Monday 18th May @ 6.00pm
St Joseph’s School Library
