We had Alex, our football coach, come and he was fun and taught us lots of tricks for football. He donated the school some footballs and a very cool book which was very nice of him. Next Monday we will be having a very exiting performance at school called, Shake Rhubarb ‘n’ Roll.

From Brooke & Lily
Everyone seemed to have a great day last Friday at the OSSA Cross Country. The students there ran very well with most students reporting that they beat their positions from last year. Well done everyone!

Congratulations to Brooke Windus who expelled absolutely all of her energy during the race and was awarded 5th place in her event. She is the 1st reserve for the District Cross Country Carnival in a couple of weeks.

We had a number of students try out for the OSSA School Spectacular Dance Ensemble and Lead Roles.

I am pleased to announce that we will have 3 people representing our school in the Dance Ensembles. Congratulations to Jordyn, Brooke and Isabell who were selected on the day. They will be involved in a number of extra rehearsals and one of the groups will also be performing in the Orange Eisteddfod.

We hope all mums had a great Mother’s day last Sunday.

I would like to make a special ‘Thank you’ to Joanne & Dot for coming in and assisting the children with making the beautiful necklaces & key rings for mum.

I also would like to thank the mums, Belinda, Lisa, Danielle, Krystle, Kimberley & Anne who came in to help with the Mother’s day stall. Your help at our school is always very much appreciated especially by the students.

### Class News

**Senior Class**

We have been having a fabulous time learning about the Solar System and have presented some awesome PowerPoint Presentations. They have attached cosmic music in the background of their slide show. Some have made posters and 3D dioramas of the solar system. This fun activity has been a great diversion to the NAPLAN testing which has been this week. Well done everyone for doing your best.

**Infants Class**

We have been learning to add groups of numbers, trying to remember to start with the big number and count on.

The students have also been learning to work well in small groups and rotating around to different activities.

How many snacks to pack?

Generally 2-3 nutritious snacks should be packed each day. This may vary depending on your child’s growth pattern. For smaller appetites pack smaller serves! These two snacks are all that’s needed to go with a main lunch item & a piece of fruit.

Which snacks to choose?

Snacks are just as important as meals so they must be nutritious & tasty. With 1/3 of a child’s daily food coming from the lunchbox, snacks should be chosen from the vegetable, fruit & bread (grains) food groups. As 70% of children do not get enough calcium, dairy foods are also important snacks.

Mini Carrot Cakes

**INGREDIENTS**

- olive or canola oil spray
- 1 1/2 cups wholemeal self-raising flour
- 1 1/2 tsp ground cinnamon
- 1/4 tsp ginger
- 1/4 cup sugar
- 1 egg, lightly beaten
- 3 tbs oil or margarine
- 1/2 cup low-fat milk
- 2 tsp vanilla essence
- 400 g can crushed pineapple in natural juice, drained
- 1 1/2 cups carrots, grated and squeezed of extra moisture
- 1/4 cup sultanas

**METHOD**

1. Preheat oven to 180°C. Line a 12-hole muffin tin with paper liners or spray tins with oil spray.
2. In a large bowl, mix together flour, cinnamon, ginger and sugar.
3. In a medium bowl, add the rest of the ingredients and mix well. Add this wet mixture to the flour mixture and stir until just combined.

Divide the mixture into the muffin tin. Bake for 20-25 minutes, or until a skewer inserted into the middle of a muffin comes out clean.

**Variation:** Use 2 teaspoons of mixed spice instead of the cinnamon and ginger mix.
