Today we hosted a get together with St Josephs School. Stage 2 and 3 students requested that we raise funds for Red Nose Day. Great initiative they have shown organising the notes and getting sports equipment ready.

We had a wonderful afternoon of sports skills and games.

Manildra Public school students were very welcoming to St Josephs and extremely well behaved.

Early next term I will have a parent meeting for stage 3 parents to let you know what we will be working on during the term.

Thankyou once again.

I wish you all a safe, relaxing and happy holiday.

I would like to take this opportunity to thank the students, staff, parents and community for making me feel so welcome at Manildra Public School. We have had a wonderful 5 weeks of solid learning.

Congratulations to Alexandra on her amazing first place in Shot put and Discus at yesterdays District Athletics Carnival.

We are all so very proud of Zoe, Trae, Brooke and Lily who also represented our school as part of the OSSA team at the District Athletics.

Unfortunately for Lily, the high jump was cancelled due to the wet field.

Today we had St Josephs school students come to our school to do some sport skills and games for Red Nose Day. We were put in groups for different activities and it was a lot of fun.

We hope everyone has a great holiday.

From Brooke & Lily
Last Thursday, 18th June, Y5 & Y6 Debating teams debated against Nashdale PS. The topic for this debate is ‘Computers should be used instead of books.’

Our students were the affirmative and presented some very good information in support of computers. A great debate was enjoyed by all. Y6 students were successful with a win while Y5 were close with a very convincing performance. Congratulations to both teams.

Michelle Marriott visited our school again last Friday to have another rehearsal of the dances with our students for the OSSA Spectacular on 10th & 11th November at Orange Civic Theatre. The students are learning the steps fast and really doing well.

Infants Class

The infants class have been very busy in Maths creating different types of patterns. All the students have been learning about what a ‘two’ pattern and ‘three’ pattern is and how that relates to a pattern that may be an AB, ABC, ABB pattern. Kindergarten have been making a particular type of pattern using many different materials, while Year 1 have been counting by 5’s and finding the patterns in those numbers. Year 2 have been counting by 3’s.
