We have had a WONDERFUL Term Three. Very busy and very successful. As always I feel honoured and proud to work at such a beautiful school. Our children are remarkable and our staff, parent and community members are hard working and passionate about their commitment to all we do at Manildra Public School. Last Friday night was testimony to that when we celebrated 30 years of Di working at our school. I'm sure you'll agree it was a great night and a wonderful achievement for Di. Thanks to Craig who put on a fantastic meal at the Bowling Club.

This week our VIRTUE was TACT and this was discussed each morning. We also have thoroughly enjoyed BIKE WEEK. So much that we have decided to make the last week of every term a week to bring our bikes to school for activities in the morning, at recess and lunch.

Today we've had Mick the local ambulance person and Dave our local policeman visit our school. They both gave great talks to our students who are very grateful for their talks and activities.

Dates for your Diary

Manildra Community News & Information . . . . .
The P and C Committee would like to extend a big thank you to all the staff, parents and community members who assisted with the catering at the Manildra Show last weekend. It was a big job to take on and we were overwhelmed with the number of people who assisted in many different ways. The day was a big success for us a small committee raising approximately $1500. This money will be added to our growing fund for the major project of closing in the COLA. Thank you again to all of you that contributed. It was greatly appreciated and we received very positive feedback.

Regards
P and C Committee

---

We are hoping to get students more involved in preparing & cooking foods. It would be good to be able to cook with some of the produce from our vegie patch.

We are asking parents and carers to visit the Healthy Active Kids website to enter our school. Why is it important for children to have access to cooking facilities at their school?
Research shows children who help prepare meals eat significantly more vegetables than those who are not involved in cooking. Get Kids Cooking have partnered with Nestlé Healthy Active Kids and AIS to give parents and carers the opportunity to nominate their child’s school to win a Kitchen Kart (a portable kitchen and cooking lessons) valued at $25,000. The winning entry also receives $1000 cash to go towards keeping their family healthy and active!

For further enquiries on The Kitchen Kart, please email info@getkidscooking.com.au
Full terms, conditions and entry form on the Nestle Healthy Active Kids website.

**Hurry, entries close Friday 25th September 2015**
